

ANTI-BACTERIAL WET WIPE STATION

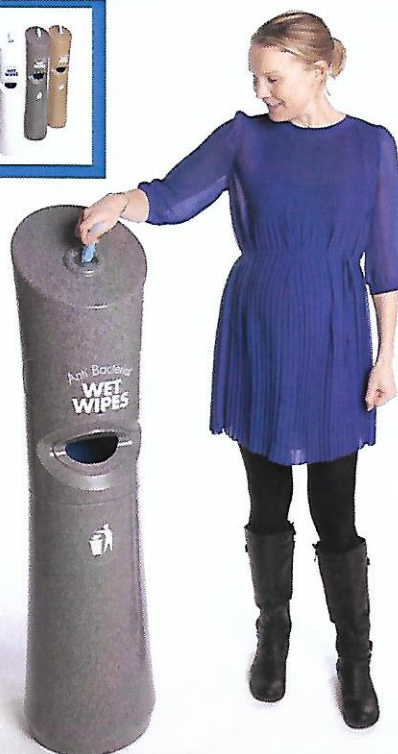

ADD+GARDS
COMMERCIAL PRODUCTS

FREE STANDING ANTI-BACTERIAL WET WIPE STATION WITH INTEGRATED BIN

Hand and Handle wipes are specially formulated to be kind to hands but tough on germs and will kill 99.9% of bacteria and viruses such as influenza, E Coli and Listeria. Everyday surfaces such as Trolley handles, Gym equipment, baby seats, Petrol pump handles etc harbour harmful bacteria. Addgards Hand and Handle Wet Wipe station will do everything in one action, clean, sanitize, dry the hands AND surface.

Hand and Handle Wet Wipe stations can be made in your corporate colours and include your logo (minimum order quantity applies)

Used by: BP UK, Certas Energy UK, Shell, SuperValu, Sports direct, HKS Retail, Delta Airlines and General Motors plus many more.
